

# The Prejudiced Prophet

## Chapter 6

### Audio Lesson: Old Testament number 79

Objective: To understand the message of God's love in the book of Jonah.

*"The Lord is not really being slow about his promise, as some people think. No, he is being patient for your sake. He does not want anyone to be destroyed, but wants everyone to repent."*

—2 Peter 3:9

*"...I knew that you are a gracious and compassionate God, slow to anger and abounding in love, a God who relents from sending calamity."*

—Jonah 4:2

The Old Testament prophets followed a pattern in their relationships with God. They had meaningful experiences of coming to God, and then they had fruitful experiences going for God. But Jonah shows us this pattern in reverse. In chapter 1, he did not come to God and he did not go for God. In chapter 2, however, he comes to God, saying "I will" three times in the belly of the fish. After this encounter with God, he goes to Nineveh for God in chapter 3.

The primary theme of the book of Jonah is God's love for all people, even people as hated as the Assyrians in Nineveh were. Though Jonah was very prejudiced and was angry that God would forgive the Ninevites, God patiently showed Jonah His great love for the people of that city.

1. **True** or false? Jonah knew that God had the love and the power to lead the Ninevites to repentance and spare them from judgment.

Thank God that He is Love and that His love reaches out to the whole world. Ask Him to give you opportunities to tell others about His love through Jesus Christ. If some of those opportunities are difficult, ask Him to give you the courage to obey Him.
